

Sport 6th Form Study Room

Here are some tips for assignment work. Research is vital for justifying your work. Your opinion is not fact, therefore you have to use a variety of sources to support your writing.

Consider your current unit what is the key command word, explain, describe, justify or evaluate?

Can you:-

- Relate the content to any current issues in sport (eg Russian drug scandal)
- Relate to a sporting context
- Look at history to get some sporting context
- Find quotes from managers, coaches or trainers to support your opinions
- Current facts that support your findings
- BE BRAVE TO FIND COUNTER ARGUMENTS TO GIVE YOUR JUSTIFICATION SOME STRENGTH
- Evaluate the impact using facts and figures

Look at your current work

Have you:-

- A good introduction to each task (this is used also has your guide)
- Used command words in your intro (I will now describe and justify.....)
- Referenced all quotes
- Chunked your work
- Used the assignment brief as a guide to what to include
- Followed the order of the assignment brief
- Picked out the assessment points and used the titles for your sub-headings
- Any pictures or diagrams have a title as to why they have been included

Before submission have I included:-

- Assessment record form
- Student declaration form
- Each unit in its own plastic wallet
- Checked it is all in the correct order
- Do I need witness statements for practical assessment
- Powerpoints printed multiple slides per page
