Dear Parent/Carer

The new parent app – easy access to important school information

Budmouth have a convenient new way to share information with you about your child's school life.

You will be able to access the new parent app either via the smartphone app or via the website:

www.sims-parent.co.uk.

You can access this system anytime, anywhere.

What will you find in the SIMS Parent app:

- School term, inset dates and contact details available at the click of a button
- Access to update your contact details, so we always have the most up-to-date information in case of emergency.
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

Please check the details that we hold for your child. Should you make any changes select confirm and submit. If there are no changes to be made please select confirm no changes.

From September 2019 we hope to be able to add in homework, behaviour and attendance. You will also get push notifications free and replies to any messages will also be free,

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.
