Principal: Mr David Herbert BSc PGCE NPQH

1 July 2019

Dear Parent/Carer

As a college we place a significant emphasis on the spiritual, moral, cultural and social (SMSC) aspect of the curriculum. This is currently covered within Citizenship lessons, during tutor times, assemblies and within other activities in the college day.

In addition to this the current year 10's are being given a fantastic opportunity on the 5<sup>th</sup> July 2019 to take part in community based activities. During this day they will not only be learning new skills but will also be acquiring valuable additions for their CV. The activities range from community art projects and helping in residential homes to curating exhibitions in a museum. The day aims to show that 'giving something back' is a valuable use of their time and can really help community cohesion whilst allowing the students to feel pride in their contributions and achievements. The organisations delivering the activities are very much looking forward to hosting our students, and there may well be opportunities for volunteering in the future.

Please ask your child about their allocation – they have been given letters already. Some students will have already been allocated a place at Budmouth developing Enterprise and Employment skills, or will be working within college leading activities with younger year groups.

This is part of the timetabled school day, therefore attendance is compulsory.

If you have any questions, please don't hesitate to contact me on 01305 830500 or [guppyj@budmouth.dorset.sch.uk](mailto:guppyj@budmouth.dorset.sch.uk).

Yours sincerely

Miss J Guppy  
Head of Year 10

Mrs K White  
Learning Leader Citizenship and PSHE and Development Days
