

## Sociology

You will need the following for your 1st Sociology Lessons:

1. A folder (you might want to get 2 separate folders as Sociology is taught in 2 halves)
2. Dividers
3. Refill pad of paper
4. Your completed pre-course tasks (1 for each half of the course)

### Task 1 - Family and household task.

Answer this question in no more than 200 words

'how much does your gender affect your life chances'

you should write your answer from your opinion and be prepared to discuss your answers.

### Task 2 - Education

Write an essay detailing your experiences of education so far, the positives and the negatives. What do you feel has been the purpose of your education? Do you feel your education has been impacted at all by your gender, class or ethnicity?  
Minimum of 600 words.
