Dear Parents and Carers

A far shorter message from me today!

I would like to thank all those parents who completed our Google Form. We are looking forward to welcoming back just over 70% of Year 10 students who will be attending for some face-to-face contact from the 15th June. Parents and Carers of these returning students will receive an 'InTouch' message later today informing you of the group that your child has been placed in, together with the days and times they will be required to attend. It is essential they stick to these as they have been carefully worked out to ensure the right group sizes.

We had just over 15% of parents and carers who did not complete the Google Form. We have, therefore, recoded these students as being 'non-returning' in the first instance. If you did not respond by the Friday 3pm deadline, but you do wish to send your child into Budmouth for some face-to-face contact, please email your child's Head of School:

Hawking School: [plydford@budmouth-aspirations.org](mailto:plydford@budmouth-aspirations.org)

Shelley School: [lacarter@budmouth-aspirations.org](mailto:lacarter@budmouth-aspirations.org)

Turing School: [aclark@budmouth-aspirations.org](mailto:aclark@budmouth-aspirations.org)

Our first availability to cater for these students will now be the week beginning 22nd June. We reconfigured our groups over the weekend on the basis of the replies we received.

Just a reminder please that students must not simply turn up, as they will not be able to join groups.

I would also like to politely remind parents and carers of returning students that they must only arrive at their allocated time; this is to ensure a staggered approach and help social distancing.

Thank you for your support with all of this, it is much appreciated. We are pleased that having spent a long time planning a programme for Year 10, a good number of students will be attending to take advantage of it.

Yours sincerely

Mrs Jen Warr  
Vice Principal
