Dear Year 13/14 Students

I hope you are all well. What a tumultuous five days it has been. I must admit, I shed a tear or two of relief for you all on Monday, when I heard at 4.00pm that you were going to get a much fairer set of Level 3 results.

I want to thank all the members of staff who have been working tirelessly behind the scenes on your behalf since results were announced last week; in particular I would mention Mr Herbert, Miss Andow, Miss Golby, Mrs Miller, Mrs Sheppard and Mrs Baker in the exams office. We realise that for some of you, there is still work to do to get you on to the "Next Step" of your choice. I would encourage you all please, to fill in our "Post Results Google Form" so that we know your plans for next year. You can request our help also using the form: <https://forms.gle/144YqFxt3CofpPR6>

When we have received your results officially from the exam boards, we will email them to your school email addresses. If you would like to receive your results in any other way, for example by post or by having them picked up, then let us know by emailing our exams office exams@budmouth-aspirations.org

I look forward to seeing you all again and hearing some of your experiences. Hopefully all of you will one day be able to look back and draw strength from the way you persevered through these very strange times.

Yours sincerely

Mark Henman
Director of Sixth Form
