**Budmouth Extra-Curricular Clubs and Activities**

Dear Parent/Carer,

Please see attached a first draft of the extra-curricular programme for the autumn term. As more things are added we will update this and place it on the website. The students have a copy of this in their tutor rooms and I would encourage them to get involved in at least one activity. In my experience, busy students are generally happier students.

As a school we are following all guidance to maintain safe working practices and we are pleased to be able to maintain the majority of our extra-curricular activities.

Some activities may be scheduled throughout the year to allow year group Bubbles to be maintained. An example of this would be the CCF (our Combined Cadet Force). This will be available to Year 10 and the Sixth Form every Thursday after half term and we will be recruiting new year 9's in January.

Updates will be available on the website for any additional clubs and activities.

Yours sincerely

Peter Hudson  
Vice Principal
