Dear Parent/Carer

You may be aware that at Budmouth we are using Seneca Learning to support our students' digital learning and homework. Many teachers, particularly in KS4 and 5, are setting Seneca through their Google Classroom assignments and we also have links to a range of Seneca resources on our Academy website.

<https://www.budmouth-aspirations.org/our-curriculum/seneca/>

Seneca offers high-quality free online learning courses for students to study from a computer, tablet or phone.

Seneca also provides free parent accounts. Their free parent accounts allow you to track your child's learning and help make conversations about school and learning easier.

Seneca's parent accounts also allow you to learn alongside your child if you wish to do so. This might be helpful in supporting you to work with your child on areas of their school work that you are less familiar with.

You can sign up for a free Seneca parent account here: [app.senecalearning.com/parent](https://app.senecalearning.com/parent) and Seneca have made this handy [2 minute video](#) to help you get started.

Or you can [read how to get your free account](#) if you'd prefer.

If you have any questions about how Seneca works, you can get support directly from the Seneca team using the live chat on their website or you can email them at [learnmore@seneca.io](mailto:learnmore@seneca.io).

I hope that you will find this information helpful.

Yours sincerely

Andrew Clark  
Assistant Principal and Head of Turing School
