

Key Stage 4 Maths Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 10 Foundation	Number	Graphs, Tables and Charts	Angles	Graphs	Right-Angled Triangles	Constructions, Loci and Bearings
	Algebra	Fractions and Percentages	Averages and Range	Transformations	Probability	Quadratics Equations and Graphs
		Equations, Inequalities and Sequences	Perimeter, Area and Volume	Ratio and Proportion	Multiplicative Reasoning	
Year 10 Higher	Number	Interpreting and Representing Data	Graphs	Equations and Inequalities	Multiplicative Reasoning	Statistics
	Algebra	Fractions, Ration and Percentages	Area and Volume	Probability	Similarity and Congruence	Equations and Graphs
		Angles and Trigonometry	Transformations and Constructions		Trigonometry	Circle theorems
Year 11 Foundation	Quadratic Equations and Graphs	Fractions, Indices and Standard Form	Algebra	Revision	Revision	
	Perimeter, Area and Volume	Congruence, Similarity and Vectors	Revision	Public Exams (GCSE's)	Public Exams (GCSE's)	
Year 11 Higher	Circle Theorems	Vectors and Geometric	Revision	Revision	Revision	
	Algebra	Proportion and Graphs		Public Exams (GCSE's)	Public Exams (GCSE's)
