

Pre-course Task Course - BTEC Sport Level 3 Extended Certificate in Sport

2 Sides of A4 (font size 11)

Research Task.

Firstly thank-you for your interest in this course. It is a challenging course with a variety of assessment methods ranging from presentations, interviews, written assignment and also practical led sessions.

This pre-course task will allow you to demonstrate your prior knowledge, level of writing and also research and justification skills.

Media causes football to become paranoid - https://youtu.be/x2elcT_WUP0

Impact of social media on sporting performers - <https://youtu.be/a4ncd1-EsFY>

How does social media ruin sport -
<https://bleacherreport.com/articles/2626562-10-times-social-media-ruined-sports>

'Despite the many benefits, there are still some negatives of social media in sports. For example, bad contents can be spread more quickly than ever before; players may have no idea of using the social media appropriately; negative comments from fans could affect the performance of the athletes or the team, etc.'

Impact of media on sports. Good or Bad?

Formulate your opinion on the influence of social media and journalism on sport. Can you provide evidence to justify your writing?

Regards,
L De La Haye
