

21st September 2021

Dear Parents/Carers

Year 11 Raising Achievement Evening – 7th October 2021

I would like to invite Year 11 parents, carers and students to the above event on Thursday 7th October. The evening will start at 5.30pm, in Clare Hall. The evening will finish at 7.30pm.

The focus for the evening is supporting your child to maximise their achievements this year and beyond. The evening will start with a presentation by Mr Hudson, which will be followed by a range of sessions in the Hub. These sessions focus on the skills needed to revise independently and also look after yourself, physically and mentally, as you move towards the exams season. All of your child's subjects will be represented in the Hub and staff will be on hand to provide information about exams and offer resources and guidance to support students' success.

The evening is designed for students to attend with parents.

There will be resources available from each subject area to take away as well as the opportunity to discuss the best revision books for all subjects that recommend them, if students did not purchase them in Year 10.

Heads of Schools will be available to answer pastoral and general academic enquiries along with the SENDCo.

In early November your child will sit their first set of mock exams and this evening will give you the opportunity to ask any questions you may have at this crucial time in your child's education.

Please arrive for a prompt start at 5.30pm.

We look forward to seeing you,

Yours sincerely

Mr P Hudson
Vice Principal
