

# Budmouth Academy Curriculum Statement

## Modern Foreign Languages Key Stage 4

### What are we trying to achieve in MFL at Budmouth Academy?

Our vision is to create opportunities across all three key stages for all learners to develop a passion for language learning and a genuine interest in the customs and culture of the countries in which those languages are spoken. We strive for a consistent sense of purpose, engagement, challenge and enjoyment in language learning; both within the classroom and beyond. Parents are aware of how to support and encourage their child with language learning.

We promote and exploit all opportunities for using diverse languages confidently for real life communication purposes in preparation for the real world, for example through extensive use of the Target Language and cultural and linguistic visits and school exchanges abroad. We foster trans-disciplinary learning through the Yr 8 ATL curriculum, and we encourage our students to use their language skills in projects with local tourism and environmental industries, including Olympic and international sailing events.

Our MFL Department is especially proud of former Budmouth Academy students who have continued to use and develop their language skills after leaving school. We actively encourage all youngsters to consider how they might use French, Spanish, German, or community languages for working / travelling abroad or for employment / studying in the UK. We provide meaningful encounters with Budmouth alumni who have gone on to pursue language-related careers.

We support Budmouth students who are growing up in multilingual households if they wish to take GCSE or A Level examinations in these “community languages”.

### The Budmouth Academy Curriculum

The curriculum has three elements:

1. **Intent:** What must be learnt
2. **Implementation:** How it will be learned
3. **Impact:** How we will know that learning is secure

The curriculum adheres to the above three elements, ensuring progression in each subject area, and the curriculum values the development of the 11 identified future skills. We recognise that, as well as knowledge, students need to develop their ability and skills to apply and repurpose knowledge in order to survive in a rapidly changing world. In applying knowledge to real-world contexts and allowing young learners to take the lead in using this knowledge to find solutions and answers, learning is deepened.

**Intent:** What must be learnt?**Key Stage 3 (Yr 7-9)**

Listening, speaking, reading, writing and translation skills are developed through the study of varied topics, which differ slightly in each language. The Yr 9 units of study are designed to prepare students for the expectations of GCSE.

**French Yr 7- 9**

## German Yr 8 and 9

MFL Curriculum Overview (Knowledge)						
Term	1	2	3	4	5	6
Skill Assessed	L,W, Tr into Eng	R,S,Tr into TL	L,W, Tr into Eng	R,S,Tr into TL	L,W, Tr into Eng	R,S,Tr into TL
Year 7	Introductions	Family & friends	Freetime	School	Meals	World of Reading
	Hallo!	Meine Welt	Freizeit	In der Schule	Mahlzeit!	Welt des Lesens
Year 8	Holidays	My Home	Everyday life	Clothes	Media	Berlin
	Urlaub	Mein Zuhause	Alltags-leben	Klamotten	Virtuelle Welt	Berlin
Year 9	Family & friends	Local area	School subjects	Free time 1	Free time 2	Festivals
	Familie, Freunde	Wohnort	Schulfaecher	Freizeit (TV,Musik)	Freizeit (Essen, Sport)	Feste

**Key Stage 4 Yr 10 and Yr 11 All three languages study the following AQA GCSE topics:-**

Half-term	1	2	3	4	5	6
Year 10	School problems	Holiday	Future studies	Health	Marriage	Technology
Year11	Work and careers	Social Issues	Global issues	Revision	Revision	

**Key Stage 5 Please refer to the French / Spanish / German KS5 Handbook for details.**

Subject content areas

- 3.1 Social issues and trends (these vary by language)
- 3.2 Political and artistic culture (these vary by language)
- 3.3 Grammar
- 3.4 Works (Literature and film)
- 3.5 Individual research project

## Implementation: How it will be learned

*Learning a foreign language requires a wide range of skills and learning habits to be developed over time; knowledge, grammar, literacy, cultural awareness and communication skills.*

Assessment Bands in MFL		
<b>Exceptional</b>	= Nearly always ...	<p>Takes an active part in lessons and accepts challenge Goes “above and beyond” in independent learning</p> <p>Recognises and uses <b>vocab</b> from current topic and previous topics Recognises and uses <b>structures</b> from current topic and previous topics</p> <p>Remains focused when <b>listening</b> and uses context to understand new language Uses varied strategies and resilience to <b>read</b> and understand written texts</p>
<b>Advanced</b>	= Mostly ...	<p><b>Writing:-</b> communicates in appropriate <b>detail</b>, with varied pronouns uses <b>resourcefulness and creativity</b> when writing (including HW) uses varied connectives with accurate word order and grammar uses model texts to produce own written pieces with at least two tenses (sentences / paragraphs / 40 / 90 /150 words) checks own written work, aiming for accuracy and quality</p>
<b>Secure</b>	= Occasionally ...	<p><b>Speaking:-</b> <b>develops</b> ideas clearly and accurately in at least two tenses (photo card/ topics) talks <b>spontaneously</b> and deals with unpredictable elements. makes an effort to speak with accurate <b>pronunciation</b></p>
<b>Developing</b>	= Rarely ...	<p>willingly responds to <b>teacher feedback</b></p> <p><b>asks thoughtful Qs</b> about grammar</p> <p>pays <b>attention to detail</b> when translating</p>
<p>The <b>length and complexity</b> of what students understand and produce is expected to increase as each year progresses. Progress is made as students develop the <b>frequency</b> in which they apply the skills outlined above.</p>		

Our MFL curriculum in Key Stages 3 and 4 is delivered using a common curriculum made up of standardised lessons. We use a wide range of engaging, challenging and differentiated resources; text books, Kerboodle (Vocabulary Builders / digital text book / interactive activities / worksheets / Mini-Readers / Exam Pulse), a Learning Booklet containing deliberate practice tasks for all key skills, Formal Practice Booklets and teacher-made resources.

Each topic is covered within a half-term of study and consists of vocabulary building, teacher input, modelling and deliberate practice, preparation for Formal Practice, Formal Practice opportunity, then DIRT.

The process of modelling and deliberate practice requires recall and retrieval of prior knowledge of vocabulary and grammatical structures, revisiting and extending language, and applying it in a new topic. Key concepts and language are embedded in the long-term memory through “I do, we do, you do”. Misconceptions and gaps in learning are addressed throughout the learning process, and particularly in the DIRT phase.

The above skills are all developed further during our A Level courses, with the additional skill of “summary writing” for both reading and listening.

**Impact:** How we will know that learning is secure.

In all three key stages we address misconceptions and gaps in learning during the deliberate practice phase by varying questioning, providing verbal and written feedback and by creating regular opportunities for DIRT. Certain tasks in lessons are completed in silence, with “Concentration” and quiet focus facilitating independent study. Regular and meaningful homework tasks give learners opportunities to reinforce classroom learning and to practise more independently.

We assess at the end of every topic through a Formal Practice opportunity, conducted in test conditions, and marked using a common framework. The skills assessed alternate in each topic, and every topic contains either a written or spoken assessment. Formal Practice tasks are similar to Learning Booklet tasks. This enables all students to experience GCSE-style assessment tasks and to build confidence in tackling these. Quizzing and traditional vocabulary tests are regularly used to aid long-term memory. These are often “do now” starter tasks.

In **Yr 10 and Yr 11** all resources are differentiated by Foundation and Higher tier, which help us to select the correct tier of entry for GCSE examinations. In KS4 we conduct “Minor Assessments” mid-way through each half-term. Our GCSE Speaking Booklet for each language provides key practice when preparing for the speaking test. End-of-year exams are conducted in Yr 9 and Yr 10, and mock GCSE exams take place in Yr 11.

In Key Stage 5 we conduct “Minor Assessments” mid-way through each half-term. Each topic culminates in an end-of-unit assessment from the online Kerboodle assessment resources, followed by DIRT. There are regular assessment opportunities for students to practise essay writing and stimulus cards discussions, both informally and formally. The Individual Research Project forms a key part of the curriculum in Yr 13. A formal mock exam takes place at the end of Yr 12 and in the Spring of Yr 13. MFL teachers conduct regular “Progress Fortnight” discussion with A Level linguists in order to gauge current progress, address misconceptions, and agree on next steps; both academically and in relation to further study or employment.
