

Description of skill Yr 7	Developing (CBA)	Secure (CBA)	Advanced (CBA)	Exceptional (CBA)
AO1 - Develop Ideas (Research)	<p>I can explore basic Art ideas.</p> <p>I can comment on the work of other artist's</p> <p>I am aware of some artist's styles and context.</p>	<p>I can explore a range of ideas and make a personal response to the work of other artists.</p> <p>I can comment on the style and context of artist's work and use this in my work.</p>	<p>I can clearly comment on the style and context of an artist's work.</p> <p>I can explore ideas showing some independence in making a personal response to the work of other artists.</p>	<p>I can produce a research documents and present reasoned judgements on the styles of other artists.</p> <p>The judgements I make often support a personal response which demonstrates links with artists' work.</p>
AO2 - Refine Ideas (Materials & Techniques)	<p>I can explore ideas and investigate different materials with consistent guidance.</p> <p>I have a growing awareness of the effects of different materials.</p> <p>I can review my work with teachers guidance.</p>	<p>I can explore ideas and use materials to develop a project with guidance.</p> <p>I can competently experiment with a variety of materials and realise intentions.</p>	<p>I can explore ideas and use materials to develop a project with minimal independence.</p> <p>I can apply materials using a range of techniques.</p> <p>I demonstrate that I can confidently refine ideas when working with a range of materials & techniques.</p>	<p>I can explore ideas and use materials to develop a project with skill and independence.</p> <p>I can show skill applying wet and dry media and the ability to make reasoned judgements when evaluating and developing ideas.</p>
AO3 - Record Ideas (Drawing & Photography)	<p>I can draw using a primary source.</p> <p>I may demonstrate an element of correct perspective when drawing 3D objects.</p> <p>I can show some detail.</p> <p>I have attempted shading which includes a range of tones.</p>	<p>I can draw a moderately accurate outline from a primary source.</p> <p>My drawing may include some accurate detail.</p> <p>My drawing will include a range of blended tones to make the image appear 3D.</p>	<p>I can draw an outline from a primary source, including an element of correct perspective.</p> <p>My drawing will include accurate detail. My shading will include some successfully blended tones.</p> <p>I can produce a considered composition on my page.</p>	<p>I can draw an accurate outline from a primary source, including correct perspective.</p> <p>My shading will include a full range of successfully blended tones. Refined contour shading to reflect the 3D form. The texture of the object will be reflected by using advanced mark-making techniques.</p> <p>I can produce a considered composition and confidently include shadow.</p>
AO4 - Present Ideas (Final Outcome)	<p>I show some ability to present a planned response.</p> <p>I show some ability to make connections with other artists.</p>	<p>I can explore ideas and modify to realise intentions.</p> <p>I can make some links with other artist's work to present a response.</p>	<p>I can present a outcome which has been refined showing some originality.</p> <p>I explore ideas that demonstrate clear links with other artist's works.</p>	<p>I can present a competent outcome which has been expressed in an original way.</p> <p>I can produce accomplished work that has been evaluated making some perceptive links with other artist's work.</p>

Description of skill	Developing (CBA)	Secure (CBA)	Advanced (CBA)	Exceptional (CBA) some emergent skills in line with GCSE standards
Yr 8				
AO1 - Develop Ideas (Research)	<p>I can explore a range of art ideas</p> <p>I can comment on the work of other artist's in some detail.</p> <p>I am aware of a range of artist's styles and context.</p>	<p>I can explore ideas and make a personal response to the work of other artists.</p> <p>I can comment on the style and context of artist's work.</p> <p>I am aware of several different styles of art.</p>	<p>I can clearly comment on the style and context of an artist's work and show how my work links to it.</p> <p>I can clearly explore ideas showing clear independence in making a response to the work of other artists.</p>	<p>I can produce thorough research documents and present reasoned judgements on the styles and context of other artists.</p> <p>The judgements I make support a consistent personal response which demonstrates clear links with artists' work.</p>
AO2 - Refine Ideas (Materials & Techniques)	<p>I can explore ideas and investigate different materials with some guidance.</p> <p>I have a good awareness of the effects of different materials.</p> <p>I can review my work with some guidance.</p>	<p>I can competently explore ideas and use materials to develop a project with guidance.</p> <p>I can competently experiment with a variety of materials and realise intentions.</p>	<p>I can explore ideas and use materials to develop a project with some independence.</p> <p>I can clearly apply materials using a range of techniques.</p> <p>I demonstrate that I can clearly refine ideas when working with a range of materials & techniques.</p>	<p>I can explore ideas and use materials to develop a project with skill and some independence.</p> <p>I can show skill applying wet and dry media and the ability to make reasoned judgements when evaluating and developing ideas.</p>
AO3 - Record Ideas (Drawing & Photography)	<p>I can draw a moderately accurate outline from a primary source.</p> <p>I can demonstrate an element of correct perspective when drawing 3D objects.</p> <p>I can show some detail.</p> <p>I have attempted shading which includes a range of tones, some will be blended.</p>	<p>I can draw an accurate outline from a primary source, including an element of correct perspective.</p> <p>My drawing will include some accurate detail.</p> <p>My drawing will include a full range of successfully blended tones to make the image appear 3D.</p> <p>I can produce a considered composition on my page.</p>	<p>I can draw an accurate outline from a primary source, including correct perspective.</p> <p>My drawing will include accurate, refined detail. My shading will include a full range of successfully blended tones. Contour shading is used to reflect the form and the surface reflected by using different mark-making.</p> <p>I can produce a considered composition including reference to shadow.</p>	<p>I can draw an accurate outline from primary source, demonstrating perspective. The drawing will be refined and look 3D.</p> <p>My shading will include a full range of successfully blended tones. Refined contour shading to reflect the 3D form. The texture of the object will be reflected by using advanced mark-making techniques.</p> <p>I can produce a considered composition and confidently include shadow.</p>
AO4 - Present Ideas (Final Outcome)	<p>I can show some ability to present a planned meaningful response.</p> <p>I can show some ability to make connections with other artists.</p>	<p>I can competently explore a range of ideas, modify and adapting to realise intentions.</p> <p>I make clear links with other artist's work to present a meaningful response.</p>	<p>I can present a personal outcome which has been refined and modified showing some originality.</p> <p>I can confidently explore ideas that demonstrate perceptive links with other artist's works.</p>	<p>I can present a personal and competent outcome which has been expressed in an original way.</p> <p>I can produce accomplished work that has been evaluated making perceptive links with other artist's work.</p>

Description of skill	Developing (CBA)	Secure (CBA)	Advanced (CBA) show some links to GCSE standard work	Exceptional (CBA) Shows clear Links to GCSE standard work
Yr 9				
AO1 - Develop Ideas (Research)	<p>I can explore ideas from a range of art sources.</p> <p>I can comment on the work of other artist’s using written and visual language.</p> <p>I am aware of other artist’s styles and context and use them to influence my work.</p>	<p>I can explore ideas and make a personal response to the work of other artists.</p> <p>I can comment on the style and context of artist’s work in detail.</p> <p>I am aware of a range of styles and genres of Art</p>	<p>I can confidently comment on the style and context of an artist's work.</p> <p>I can confidently explore ideas showing clear independence in making a personal response to the work of other artists.</p>	<p>I can produce in-depth research documents and present reasoned judgements on the styles and context of other artists.</p> <p>The judgements I make support a highly personal response which demonstrates clear links with artists' work.</p>
AO2 - Refine Ideas (Materials & Techniques)	<p>I can explore ideas and investigate different materials with limited guidance.</p> <p>I have a good working knowledge of the effects of different materials.</p> <p>I can review my work without much guidance.</p>	<p>I can competently explore ideas and use materials to develop a project with little guidance.</p> <p>I can competently experiment with a variety of materials and realise intentions.</p>	<p>I can explore ideas and use materials to develop a project with more independence.</p> <p>I can confidently apply materials using a range of techniques.</p> <p>I demonstrate that I can confidently refine ideas when working with a range of materials & techniques.</p>	<p>I can explore ideas and use materials to develop a project with skill and independence.</p> <p>I can show skill applying wet and dry media and the ability to make reasoned judgements when evaluating and developing ideas.</p>
AO3 - Record Ideas (Drawing & Photography)	<p>I can draw a moderately accurate outline from a primary source.</p> <p>I can demonstrate an element of correct perspective when drawing 3D objects.</p> <p>I can show a range of detail.</p> <p>I have attempted shading which includes a range of tones, most will be blended.</p>	<p>I can draw an accurate outline from a primary source, including an element of correct perspective.</p> <p>My drawing will include accurate detail.</p> <p>My drawing will include a full range of successfully blended tones to make the image appear 3D.</p> <p>I can produce a considered composition on my page.</p>	<p>I can draw an accurate outline from a primary source, including correct perspective.</p> <p>My drawing will include accurate, refined detail. My shading will include a full range of successfully blended tones. Contour shading is used to reflect the form and the surface reflected by using different mark-making.</p> <p>I can produce a considered composition including reference to shadow.</p>	<p>I can draw an accurate outline from primary source, demonstrating correct perspective. The drawing will be highly refined and look 3D.</p> <p>My shading will include a full range of successfully blended tones. Refined contour shading to reflect the 3D form. The texture of the object will be reflected by using advanced mark-making techniques.</p> <p>I can produce a considered composition and confidently include shadow.</p>
AO4 - Present Ideas (Final Outcome)	<p>I can show some ability to present a planned meaningful response.</p> <p>I can show some ability to make a range of connections with other artists.</p>	<p>I can competently explore a range of ideas, modify and adapting to realise intentions.</p> <p>I can make clear links with other artist’s work to present a meaningful response and show this in my outcome.</p>	<p>I can present a personal outcome which has been refined and modified showing some originality.</p> <p>I can confidently explore ideas that demonstrate perceptive links with other artist’s works.</p>	<p>I can present a highly competent outcome which has been expressed in an original way and shows clear refinement and links with other artists work.</p> <p>I can produce accomplished work that has been evaluated making highly perceptive links with other artist’s work.</p>
