

Sixth Form Dance - Pre Course Task

Please watch 'Rooster' by Christopher Bruce (all seven sections are on youtube) and write a review, minimum of one side of A4. You need to include the following:

- Costume
- Set
- Lighting
- Music
- Action content

Write about what you see, how it relates to what the piece is about (you will need to research the dance as it's about the 1960s how men viewed women and 1960s culture).

Please also include your personal views - what did you like/not like and why?

We will focus more on this work in our theory lessons, so it will be a great introduction for you. This is needed for your first theory lesson with me in September.

Any questions, please email strott@budmouth-aspirations.org Thanks and enjoy!
