

# Budmouth Academy MFL Curriculum

## Key Stage 3 (Years 7-9)

### Key features of our KS3 MFL Curriculum

In Year 7 and Year 8 students study two languages. They are introduced to geographical and cultural aspects of the countries where the language is spoken, and they learn about the many social and vocational benefits of studying a foreign language.

We introduce and develop confidence in Listening, Speaking, Reading, Writing and Translating skills; all valuable for real-life communication. Phonics, Vocabulary and Grammar underpin our MFL lessons. Our “KS3 Descriptors” outline the knowledge and skills progression through Key Stage 3, and the standards linked to the different levels of attainment.

Our curriculum and sequential lessons are designed to begin to prepare students for the expectations of GCSE. We begin sub-topics with opportunities for students to show understanding, through listening, reading and translating into English. We then move on to the productive skills of speaking, writing and translating into the foreign language.
