

YEAR 8 ATL

Students in Year 7 also study Applied Transdisciplinary Learning (**ATL**). For the past three years, all of the Aspirations Trust Academies have been developing the **ATL Curriculum** for both Year 7 and Year 8 students. Our Budmouth ATL is part of the wider **KS3 No Limits Curriculum** that all students follow across their lessons.

Through **ATL**, students will be applying what they have learnt in the classroom to real-world projects that cross subject disciplines. It is an approach that prepares young people for success in a new age.

Here are the Future Skills that are developed:

Here are the ATL projects:

TERM	YEAR 8
Autumn 1	FOOD Learn about food, food provenance and ethics, plan a new global restaurant
Autumn 2	HEALTH - World health over time, innovations, modern health concerns - create a campaign
Spring 1	CREATIVE SUSTAINABILITY Music, fashion and the planet combine. How have we been creative? How can we make sustainable products?
Spring 2	SPACE An out of this world exploration of the galaxy, space travel and investigating space tourism
Summer 1	LOCAL HISTORY & TOURISM Consider our local area's diverse history and links to tourism. Promote our region to visitors
Summer 2	SHOWCASE EVENT Plan, prepare and present
