## How to prepare:

Access past papers (see link)

Understand the layout of each paper

Look at the mark for each question

Bullet point where you can (facts over waffle)

Underline command words

Give examples when asked for

## Extended response questions:

Read the command words. Analyse, Evaluate, Compare, Describe etc

Make sure you are answering the question correctly

Plan your answer

Don't repeat yourself

Give yourself to plan and focus your thoughts

## Short questions:

Allow yourself to save time by drawing diagrams rather than detailed descriptions.
