

February 2023

Dear Parent/Carer

Year 13 14 Half Term Revision and Support

Please find below the schedule for the February Half Term Revision and Support Sessions. We are pleased to be able to offer a significant number of sessions to give students a boost before the main mock exams that start straight after the half term break, but also to support students' progress towards their Summer exams.

We would encourage all students to embrace the support on offer at half term as well as the staff interventions available to our key stage five students. These will help those students that have gaps in their learning due to the time out of school during the pandemic and those that have found the independent work more challenging. All morning sessions are due to start at 9am and afternoon sessions at 12pm unless specified otherwise.

The Summer exam season starts on 15th May and concludes on 30th June. When we have confirmed the details of the schedule we will provide you with a full exam timetable.

If you have any general concerns or require any further information, please do not hesitate to contact your child's tutor in the first instance.

Higher Education Finance Parents Evening

On Wednesday 1st March (7-8pm) there will be an Information Evening regarding loans, fees, repayments, and bursaries etc. for university. We will also discuss the finer points of accepting UCAS offers and what to do when you get your results.

Any student, regardless of personal finances, who has made a UCAS application should attend the presentation to find out how to access funding to cover tuition costs as well as living costs. All UCAS applicants are expected to make an application to Student Finance England. We will be delivering the talk, with the help of some existing university students, at 7.00pm in Clare Hall.

Absence Reporting

A reminder that if your child is absent from Sixth Form, please report this by either phoning Jan Cockings on 01305 830560 or email jcockings@budmouth-aspirations.org. For a foreseen absence (i.e. student knows in advance he/she will be out of school for an essential reason) students must complete a green foreseen absence request slip in advance and return it to the Sixth Form office.

Yours sincerely,

Sam Morris
Director of Sixth Form
Assistant Principal
smorris@budmouth-aspirations.org

February Half Term Revision & Support
