Dear Yr 13/14 Parents/Carers

Sixth Form Easter Revision

With the summer exam season only seven weeks away, I am sure your child is fully focused on a revision schedule which will enable them to optimise their performance. Hopefully they will have already reduced, if not eliminated, other commitments. I am pleased to say that a number of staff are putting on some intensive revision sessions during the Easter holiday. If your child is fortunate enough to study one of these subjects please do encourage them to attend and take full advantage of what is on offer.

The full programme of revision sessions can be found on the second and third page of this letter.

The run up to the summer is always a stressful time for students in Year 13/14, especially this year for students who, because of Covid-19, have not yet experienced external examinations. The better prepared students are, the less anxious they will feel during the exams themselves. We are all here to offer support whenever it is needed. As a reminder, here are the contact details for the relevant members of the Sixth Form Leadership team, as well as the telephone and email address for Mrs Cockings, our Sixth Form Administrator.

The Summer Exam Season starts on 3rd May and concludes on 23rd June. The timetable for exams has been sent to you by Mrs Baker, our Exams Officer, but is also available on our website:

Kelly Andow (KAA) – kandow@budmouth-aspirations.org - Sixth Form Student Support

Jane Golby (JG) – jgolby@budmouth-aspirations.org - Head of Year 13, Assistant Director of Sixth Form

Jan Cockings - jcockings@budmouth-aspirations.org - Sixth Form Administrator Tel: 01305 830560.

Please do talk at home about revision in general and accessing all the support available, both over the holiday and in school afterwards.

Best of luck to the students from us all for the forthcoming exams!

Yours sincerely

Sam Morris
Director of Sixth Form - Assistant Principal
