Year 11 Exam Season

Dear Parent/Carer

We are pleased to provide you with the timetable for Year 11 students during the period of 5th June to 20th June when the final exam takes place. We have arranged a completely new timetable for year 11 to provide every exam with at least one hour of intensive preparation just beforehand. These sessions will be with staff that are experts in year 11 exam preparation. This timetable is for every student and is a full timetable.

I am also including the May half term sessions that are on offer during the four days of the holiday. We thoroughly encourage students to make the most of these.

We have noted that quite a large number of our students are using the Weymouth Library to revise in a quiet space at weekends and during holidays, which is great. So we have arranged to open our own resources centre during each day of half term. Students can take food in, and hot drinks can be provided. This will provide them with a supervised calm and quiet space to work with the ability to use the laptops and printers when needed.

Year 11 have made a fantastic start to the exam season and there has been a fabulous response to the early breakfasts and revision sessions that are on offer every morning. These will continue until 20th June. Breakfast is free and subject staff are on hand for support and some final guidance before each exam.

We wish all our year 11's the very best in their remaining exams.

Yours sincerely,

Peter Hudson
Vice Principal

There will be a more detailed timetable that will be in Tutor rooms and in the Hub Avenue with rooms to ensure each student knows where they need to be.

Year 11 Revision and Exam Timetable

If you are not in an exam there will be a revision session in preparation for your next exam

AM Exams start at 8:40am
