# ANTI-BULLYING AMBASSADORS

## THE APPLICATION PROCESS

Anti-Bullying Ambassadors are trained, passionate young people who will stand up to bullying behaviour and believe they can change things for the better. One of our core Guiding Principles is Self-Worth and we believe that every child should feel valued and safe. Anti-

Bullying Ambassadors believe that bullying behaviour is not acceptable and should not be part of everyday life at school. They support others and are upstanders against bullying behaviour and a support network for their peers. They stand to shape attitudes and change behaviours. They are a pillar of support, look out for others and are a strong voice for the school community.

At the start of each academic year we will be looking to recruit more members to the group during assemblies, lessons and tutor time. We will be asking Tutors to recommend students and encouraging students to volunteer for this role.
