

4th October 2023

Dear Parent/Carer,

Year 13 Autumn Mock Exams/Resits/University Entrance Exams.

We have our first round of year 13 mocks starting on Monday 16th October. These will continue until Friday 3rd November. For students resitting English and Maths, there will also be external exams between the 7th and 13th November. We will also be holding entrance exams for our early UCAS entries opting for certain courses and universities. The full schedule is outlined below. Some subjects will also run additional mock exam papers during lesson time so that students can access a full range of scripts.

Please note that these mock exams will help staff to identify and intervene with students requiring further support and as such, it is imperative that our year 13 students apply themselves fully.

It is worth noting that Friday 8th December is the deadline for our students wishing to apply to university to have completed their UCAS applications. This is to ensure that we are able to support students throughout this process. We are also encouraging all students to undertake a careers interview with our external careers advisor Sally Baker in order to aid them in identifying their next steps.

I have also included below the Sixth Form Key Dates for the year so you can identify the key points for students and the wider support we offer.

Yours sincerely,

Sam Morris
Assistant Principal - Director of Sixth Form

Mock exam/university entrance/maths and english resit timetable:

Date	Start Time	End Time	Assessable	Code
Mon, 16 Oct	13:00	15:00	Year 13 Mock Product Design
