

20th September 2023

Bath University Sport Training Village Trip - Monday 9th October 2023

Dear Parent/Carer

Your child has been identified as being in the 'most able' category for Physical Education at Budmouth Academy and has displayed consistently good engagement in their lessons and extra-curricular activities. Therefore, we would like to offer them the opportunity to attend a Sport focussed higher education and elite performers taster day at Bath University.

Students will have the opportunity to have a tour of the campus, sports facilities and the Bath Student Village followed by taster sessions with different elite coaches and athletes.

On the day of the trip we will meet at 7.00am, at the Sports Hall entrance. Arrival back to Budmouth will be approximately 6.00pm. Your child must be wearing their correct school PE kit. They will need to bring a packed lunch and plenty of water. Please ensure that they also bring appropriate warm clothes and rainproof wear.

The cost of the trip is £23.00; this includes the coaching and use of facilities. If your child receives Pupil Premium funding, the cost will be £11.50 (limited available). Payments should be made via the ParentMail app by **4th October 2023**.

There are only 30 places available so please sign up ASAP if your child is interested.

If you have any questions, or would like to discuss any of the details above, please do not hesitate to contact me.

Budmouth Academy strives to give all our students access to trips and visits. If your child receives free school meals for example, you could receive financial assistance to enable them to take part. Again please contact me on the email address below if you would like to discuss how this would work.

Yours Sincerely

Mr R Legg
