

17th October 2023

Dear Parents/Carers,

### **Year 10 Resources and Key Information**

It was fantastic to see such a huge turnout for the KS4 Preparation Evening on the 5th. On that evening I did mention that I would provide some information from each presentation and share the updated website pages.

The link below will take you to the KS4 website page and all of the information from presentations can be found there. There is also a link to each subject where you can find resources as well.

<https://www.budmouth-aspirations.org/our-curriculum/key-stage-4/>

The webpage also includes the recommended revision guides. These will be available through the parent mail payment system, should you wish to purchase through the school.

The Academy is purchasing subscriptions for the revision app and learning platform Tassomai. This app will allow students to access revision materials and quizzes on a computer, tablet or phone for English Literature and Language, Maths and Science, that are exam-board specific. Tassomai adapts the questions it asks as it learns what each student knows, making the revision bespoke for each individual. We can offer subscriptions at the reduced rate of £12. If you are in receipt of the Pupil Premium, a free login will be sent out shortly after half term. Further details can be found at <https://www.tassomai.com/> and if you have any further questions, please contact Mr Lea [mlea@budmouth-aspirations.org](mailto:mlea@budmouth-aspirations.org)

We wish you and our students a relaxing half term break,

Yours sincerely

Mr P Hudson  
Vice Principal
