

Learning Objective  
Drawing Assessment - To  
create an accurate tonal  
drawing of your shoe

# Learning Objective

## Drawing Assessment - To create an accurate tonal drawing of your shoe

Why is this a successful shoe drawing?

How could they improve it?

## Learning Objective

Drawing Assessment - To create an accurate tonal drawing of your shoe

## Success Criteria

Accurate (looks like a shoe)

Shaded to show textures (laces, soles, leather and other materials)

Tone to show light, dark, midtones, highlights and shadows.
