

# *Animal Parade*

Year 7 Summer Term

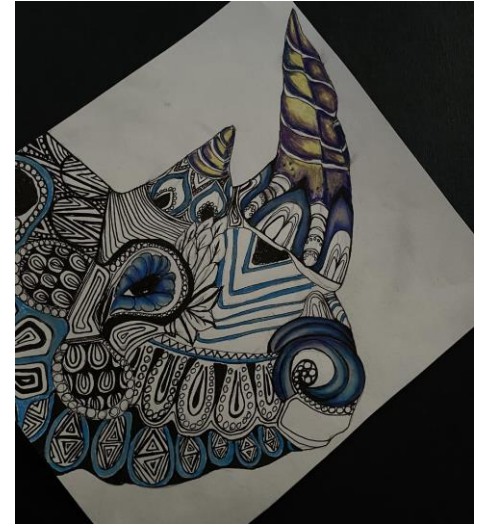

# Learning Objective: To design your own Iain MacArthur style animal

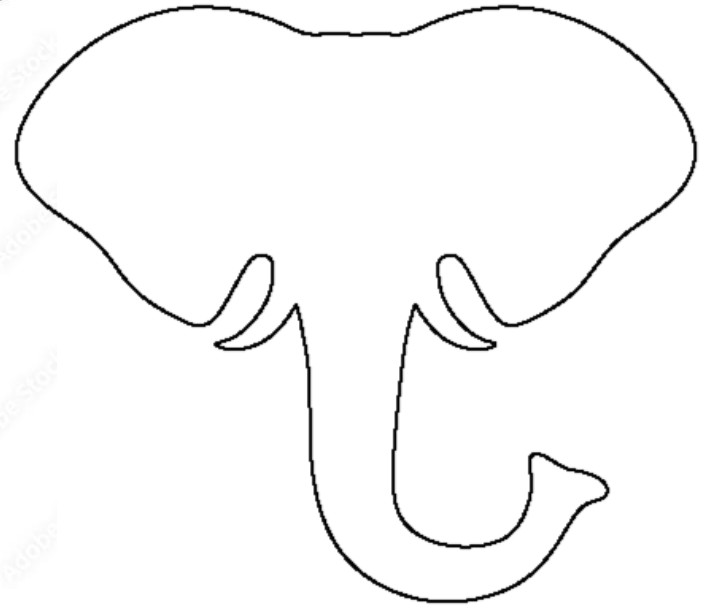

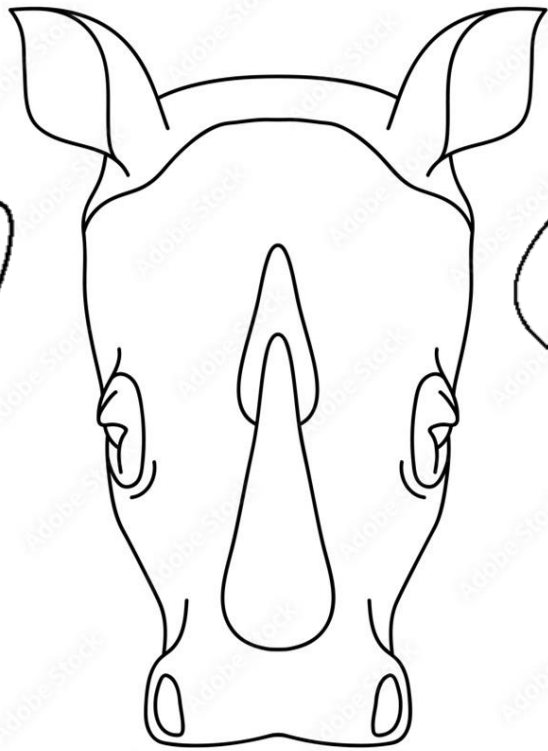

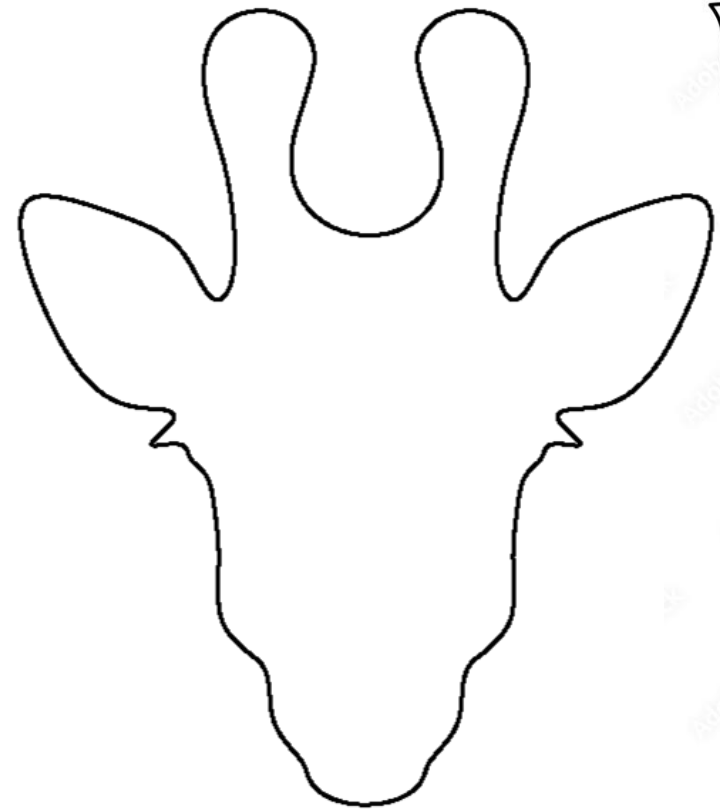

Draw out an outline of your animal and create your own pattern within the form based on the work of Iain MacArthur.

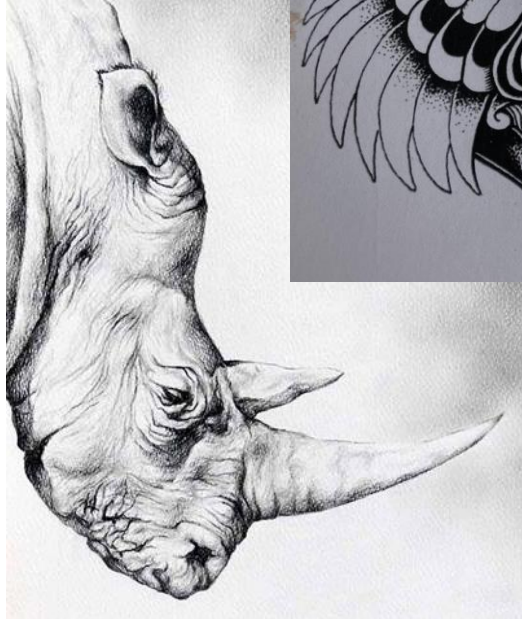

Look at how he creates his patterns and develop your own within a outline you have drawn yourself.

Use one of outlines on in your learning booklet to to help and support the drawing out of the form.

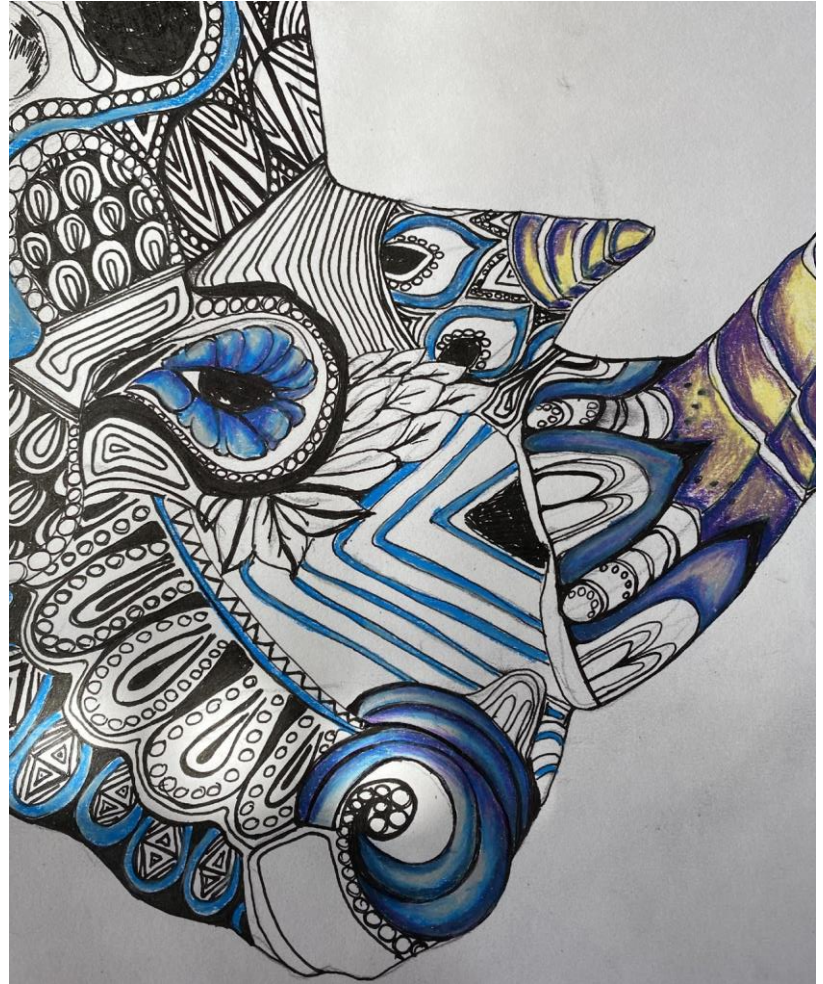

Remember to refer back to the artists work you can take shapes that he uses within his work and add them to yours. These are you own designs and you can add colour if you have them.
