What is this picture of?

How have they arranged tge colours?

What do you like about it?

What would you do differently?

## Learning Objective To create a collage of a cupcake

- Draw a line drawing of a cupcake
- Look for interesting pieces of paper that could work well with your design.
- Try arranging your small pieces of paper, layering then to create depth.
- Don't stick them down until you are ready.
- Think about how you arrange the light and dark colours next to each other.
