

# *Altered Portraits*

Learning Objective  
To draw large detailed  
eyes, that will we painted  
using acrylic.

Think about how this eye has  
been painted...

How has it been drawn?  
What style has it been painted  
in?  
Is there much detail?  
What colours have been used?  
What do you like about it?  
What would you do differently?

# Learning Objective

To draw large detailed eyes, that will we painted using acrylic.

In the centre of your page, draw a detailed eye using the steps to help you

## How to draw an eye...

1. Draw the shape of the eye.

2. Draw the details for the pupils, iris and eyebrows.

3. Draw the details for the eyelids, eyelashes, pupil highlights, iris and eyebrows.

4. Add a range of tone to show shadows and the form of the face.

5. Sharpen up the details using a sharp pencil and rubber for highlights.
