LANGUAGE LEADERS

Language Leaders are passionate young people who have a love for all aspects of languages and have volunteered to help the staff and students at Budmouth Academy. They play an active role helping the Academy with events and supporting other children, both at their own Academy and within the community.

Our Language Leaders will complete a leadership training programme before committing to volunteer for a minimum of two hours at the Academy or within the community.

At the start of each academic year we will be looking to recruit more members to the group during assemblies, lessons and tutor time. We will be asking Tutors to recommend students and encouraging students to volunteer for this role.
