

# MECHANICAL INSECTS

---

Stain a piece of paper that we will use to draw on this lesson. Don't get it too wet!

Leave to dry on your table while I talk to you all.

Thinking Question.... What is Steampunk?

## Learning Objective

On top of stained paper create a series studies of cogs using different materials

# Learning Objective

On top of stained paper create a series studies of cogs using different materials

Uses a variety of materials experiment with layering cogs.

1. Acrylic paint
2. Monoprint
3. Colour pencil
4. Coloured pen
5. Stamping with a cog shape
