Create a line drawing with armoured shapes at the top of the animal and mechanical objects.

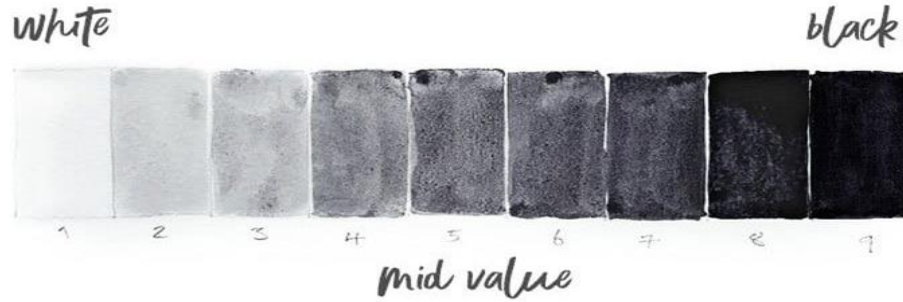

Paint in black and white to make the animal look shiny and like it's made out metal armour

Learning Objective

Create a tonal metallic drawing of Vladimir Gvozdev art work

1. Create a line drawing with armoured shapes at the top of the animal and mechanical objects.
2. Paint in black and white to make the animal look shiny and like it's made out of metal armour
3. Create strong contrast in tone blending

Decide which direction the light is when painting the shine and shadows.

Extension

Add ripped newspaper and card to create a distressed background
