

Dear Parents/Carers,

Celebrating Success: Achievements at Budmouth Academy

I am delighted to share with you the remarkable achievements of our students at Budmouth Academy. The collective dedication and effort of our students have resulted in an impressive number of achievement points earned this academic year, in total 200,588!

This accomplishment is a testament to their commitment to excellence, showcasing not only academic prowess but also the embodiment of self-worth, purpose, and active engagement in their educational journey.

Each achievement point signifies a moment where students have demonstrated resilience, curiosity, and a genuine passion for learning. We believe that instilling a sense of purpose and nurturing self-worth is crucial in shaping well-rounded individuals. These achievement points are totalled and count towards the overall schools competition. The current standings are as follows:

Turing 56633
Attenborough 50872
Hawking 49455
Shelley 43628

The high number of achievement points earned by our students reflects their eagerness to embrace challenges, pursue excellence, and contribute meaningfully to our academic community.

Furthermore, we're thrilled to share exciting news about our ACE Reward Scheme! This initiative aims to recognize and celebrate students for their outstanding contributions outside of the classroom. Whether it's picking up litter, demonstrating manners, or other commendable acts, we believe in acknowledging and encouraging positive behaviour beyond academic achievements and these totals are also counted towards the overall school cup. The current standings are as follows:

Turing 2527
Shelley 2207
Hawking 1695
Attenborough 1675

Moreover, there are a number of intra school competitions that students can participate in and develop a sense of belonging for their schools. So far this year there have been events in baking, tug of war, basketball, the Christmas quiz and many others. Please do encourage your child to become involved in events like this. As parents and carers, your support has played a pivotal role in fostering this positive environment.

Finally, there are some students who deserve individual attention and they are the highest achievement points scorers in each year. There are some amazing totals below and these students go above and beyond each and every day.

Evie Carr in Year 7 has 838 points.

Mabel Diment-Steevens in Year 8 has 448 points.

Jack Hodder in Year 9 has 819 points

Christabelle West in Year 10 has 464 points

Elliot Pearson in Year 11 has 313 points

Congratulations to our students for their outstanding achievements, and thank you for being an integral part of the Budmouth Academy community.

Yours sincerely,
