

January 2024

Dear Parent/Carer,

Please find attached the Mock Exam Timetable for Year 11 for the forthcoming Exams that take place between 5th and 26th February this term. These exams will predominantly take place in the gyms under exam conditions.

It has been great to see so many Year 11 students in the after school revision and support sessions that take place every day. These Mocks will provide an opportunity for students to see the progress they have made since the previous Mock Exams that took place in October and November, and plan their revision priorities for the remaining 8 weeks of school before their real exams start.

I include the revision session timetable below.

We are putting together a fantastic programme of revision sessions for the 5 days of the half term break from Monday 12th to Friday 16th February. We will publish the list and details a couple of weeks before the break.

I also include a link to our website with all the resources from our Raising Achievement Evening, with revision tips and resources.

Peter Hudson
