

January 2024

Dear Parent/Carer

Please find attached the mock exam timetable for Year 13 for the forthcoming exams that take place between 5th and 26th February this term. These exams will predominantly take place in the gyms under exam conditions.

These mocks will provide an opportunity for students to see the progress they have made since the previous mock exams that took place in October and November, and plan their revision priorities for the remaining eight weeks of school before their real exams start.

We are putting together a programme of revision sessions for the five days of the half term break from Monday 12th to Friday 16th February. We will publish the list and details to students a couple of weeks before the break.

I have also included a link to the document regarding how best to support your child in the run up to exams.
