Dear Parent/Carer

YEAR 11 SUPPORT - Half Term Revision and Support

Please find below the schedule for the February Half Term Revision and Support Sessions. We are pleased to be able to offer 44 sessions to give students a boost before the remaining Mock Exams after the half term break, but also to support students progress towards their Summer Exams.

We have seen a rapid increase in the number of students attending after school sessions since the first Mock Exams and the enthusiasm from our students has been great to see. We would encourage all students to embrace the support on offer at half term as well as the after school sessions that have been running throughout the year. As well as the schedule for Half Term, I also include the timetable for revision and support that continues throughout the year.

If you receive an invite for your child to attend specific sessions, this suggests that there is a need for support and we would recommend that they attend. All subjects offer open revision sessions that are available for all students.

After the Mock Exams students have just seven weeks of school before the real exams start. We understand that some students may not have the space or facilities to revise well at home so we are also opening the Resources Centre over the half term and supervising students who can revise in a quiet space.

The Summer Exam Season starts during the week beginning May 6th and concludes by the 21st June. When we have confirmed the details of the schedule we will provide you with a full exam timetable.

If you have any general concerns or require any further information, please do not hesitate to contact your child's form Tutor in the first instance.

Yours sincerely,

Peter Hudson
Vice Principal
