

KS3 Assessment Calendar

Please see below for the dates when Year 7, 8 and 9 assessments will be taking place. Details of the topics being assessed will be given to students prior to the assessment week.

Due to students starting to study three separate science subjects from Year 9 to 11, details of the topics being assessed will be given to students prior to the assessment week.

Results and feedback will normally take place the week after the assessment.

Year 7

Date (week beginning)	Topics to be assessed
25th - 29th September, 2023	Assessment 1 - Skills
6th - 10th October, 2023	Assessment 2 - Particles
22nd - 26th January, 2024	Assessment 3 - Forces, Cells- and Elements
4th - 8th March, 2024	Assessment 4 - Skills
17th - 21st June, 2024	End of Year Assessments

Year 8

Date (week beginning)	Topics to be assessed
25th - 29th September, 2023	Assessment 1 - Year 7 topics and Skills
6th - 10th October, 2023	Assessment 2 - Year 7 topics and Chemical Reactions
22nd - 26th January, 2024	Assessment 3 - Year 7 topics, Chemical Reactions and Skeleton/Muscles
4th - 8th March, 2024	Assessment 4 - Skills
10th - 14th June, 2024	End of Year Assessments

Year 9

Date (week beginning)	Topics to be assessed (Biology / Chemistry / Physics)
9th - 13th October, 2023	Assessment 1 - Content
20th - 24th November, 2023	Assessment 2 - Skills
15th - 19th January, 2024	Assessment 3 - Content
26th February - 1st March, 2024	Assessment 4 - Content
3rd - 7th June, 2024	End of Year Assessments
