

KS4 Assessment Calendar

Please see below for the dates when Year 10 and 11 assessments will be taking place

Results and feedback will normally take place the week after the assessment.

Due to students studying three science subjects from Year 9 to 11, details of the topics being assessed will be given to students prior to the assessment week.

During the assessment week, students will sit three assessments (one for each science).

Year 10

Date (week beginning)	Topics to be assessed
2nd - 6th October, 2023	Assessment 1 - Yr 9 topics and new content
