

# Year 10 Biology

## Topic Overview

### Combined Science

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Respiration	Organising animals	Communicable and Non-Communicable diseases (Part 1)	Communicable and Non-Communicable diseases (Part 2)	Preventing and Treating Disease	Coordination and control (nerves and hormones)

### Separate Science

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Respiration	Organising animals	Communicable and Non-Communicable diseases	Preventing and Treating Disease	Coordination and control (nerves and hormones)	Homeostasis (Kidney)
