Event Format

- **Individual events:** Individually players will be competing in both gross and net events on the day.
- **Team events:** Any school that has 2 or more players in the field, will automatically be entered into the School Team competition. Teams are made up of 2 or 3 players with the best 2 scores counting towards the overall score. This year entrants are competing in a net score team event and a gross score team event. The winning teams will be invited to represent the County at the National Finals later in the term.

Dorset Schools Representation

It is hoped the Top 4 Boys and Top 2 Girls in the Gross competition will then represent Dorset at the South West Championships at Forest Hills Golf Club in the May half term, where the top 10 boys and top 6 girls will qualify for the National Finals in early July. The top 10 finish would then lead to selection to represent England Schools in International matches. The remaining 2 boys places and the one remaining girls place for the county squad will be selected based on performance levels around the time.

Parents are welcome to be there, but NO caddies will be allowed.

Again, please pass me the details by the end of the week. Should you have any queries please do not hesitate to contact me: rbullock@budmouth-aspirations.org
