

8th May 2024

Dear Parent/Carer

Bournemouth University BTEC Sport Trip - Wednesday 12th June

This trip is organised for year 10 students who are currently enrolled in BTEC Sport as a GCSE option and will provide students the opportunity to see a higher education facility with a focus on sporting pathways and careers.

Students will have the opportunity to have a tour of the campus, sports facilities, and Q&A with current students about sporting pathways available to them through Higher Education, including a practical element to the trip focusing on leadership and coaching in a sporting environment.

We will meet at the Academy at 8.30am, at the **Outside Changing Rooms**. Arrival back to Budmouth will be approximately 2.50pm.

Your child must be wearing their correct school PE kit. They will need to bring a packed lunch and plenty of water. Please ensure that they also bring appropriate warm clothes and rainproof wear.

The cost of the trip is £5.00. This includes the cost of coaching and use of facilities. Payment should be made via the ParentMail app by 7th June 2024. This will go live on ParentMail on Thursday 9th May at 8.00 am.

Spaces are limited to 32 and are allocated on a first come first served basis. Budmouth Academy strives to give all our students access to trips and visits. If your child receives free school meals for example, you will receive this trip FOC (limited spaces).

If you have any questions, or would like to discuss any of these details, please do not hesitate to contact me.

Yours sincerely

Mr J Webber
