29 September 2026

Dear Parents and Carers,

As your child builds towards their final GCSE examinations, I wanted to highlight the supportive resources available to both you and them throughout Key Stage 4.

Success across Years 10 and 11 requires a fundamental change in mindset—demanding greater independence, personal responsibility, and a dedicated focus on their goals.

As students progress through Year 10 and Year 11, there is a pivotal 'lightbulb moment' when they realise that the work they complete is not for their teachers, but to build their own knowledge, secure essential skills, and shape their future opportunities. The earlier this realisation takes place, the more effectively students engage with revision, take advantage of extension activities, and seek out extra support.

Whether your child is laying crucial foundations in Year 10 or making the final push towards the exam hall in Year 11, working in partnership with you is vital. We look forward to supporting them every step of the way and wish all our Year 10 and 11 students every success this academic year.

Revision Guides

To help make study materials as accessible as possible, Year 10 and Year 11 revision guides are available to purchase directly from the Academy via the ParentMail app. By ordering through the school, we are able to secure bulk-purchase discounts and pass those savings directly on to you.

To ensure prompt delivery, orders will be processed in two distinct batches. Please take note of the order windows below:

- **Window 1:** Open now until noon **Wednesday 7th October 2026**
- **Window 2: Thursday 16th October to Monday 14th December 2026** *(a reminder will be sent closer to the time)*

Delivery Information:

Please note that all orders are placed with suppliers immediately after each window closes. If you place an order early in a window, there will be a short wait until the window deadline passes and the batch order is submitted.

Once your order arrives at the Academy, we will notify you, and your child will be able to collect their guides directly from the Main Reception.

Yours sincerely

Matt Williamson
Assistant Principal
