Dear Parents and Carers,

Re: Extra-Curricular Enrichment Opportunities

We are delighted to share further information with you about the exciting and varied range of extra-curricular clubs and enrichment opportunities available to students. We believe that learning extends well beyond the classroom, and we want every student to have opportunities to discover new interests, develop their talents, build confidence and enjoy being part of our academy community. You will find access to our enrichment club timetable on our academy website.

How to Sign Up

To make the registration process as clear as possible, please review the steps and guidelines below:

1. Complete the Enrichment Google Form with your child: Please fill out this Google Form (also accessible directly via your child's year group Google Classroom). The form must be completed using your child's school Google account. This ensures you are both clear on club selection, arrangements for getting home safely, and any transport requirements.
2. Sign-Up Window: The form is open today and will close on Thursday 9th October.
3. Club Start Date: Clubs will officially begin the week of Monday 13th October.

Key Information & Allocation Policy

- First-Come, First-Served: Spaces for all clubs are allocated on a first-come, first-served basis.
- Staffing & Capacity: Staff reserve the right to adjust club numbers or capacity based on staffing availability.
- Late Applications: If your child wishes to sign up after the deadline on 9th October, the online form will no longer be available. Students will need to go to their Head of School Office to collect a green slip to apply manually and acceptance will be up to the discretion of the club leader.

We appreciate your support in encouraging your child to take full advantage of our enrichment offer. If you have any questions regarding specific clubs or logistical arrangements, please do not hesitate to contact me.

Yours sincerely,

Mr J Hooper
Assistant Principal
