11th September 2026

Dear Parents/Carers

Year 11 Raising Achievement Evening – Thursday 8th October 2026

I would like to invite all Year 11 parents, carers and students to our Raising Achievement evening on Thursday 8th October. The evening will start at 5.00pm, in Clare Hall and the sessions are available until 7.00pm.

The focus of the evening is on how you can support your child in maximising their achievements this year and beyond. The evening will begin with a presentation from Mr Hudson, followed by a variety of sessions in the Hub. These sessions will highlight the skills your child needs to revise effectively and to look after their physical and mental wellbeing as they progress through Key Stage Four towards their exams. All of your child's subjects will be represented in the Hub, where staff will be available to share information about exams and provide resources and guidance to help support your child's success.

The evening is designed for students to attend with parents. I will provide you with details of the sessions available with locations and schedules so that you can plan your evening in advance.

Evidence shows that when teachers, parents, and students work together in the build-up to GCSE exams, outcomes for individuals are most likely to improve. As such, this is an important school event for all of our Year 11 students.

There will be resources available from each subject area to take away, as well as the opportunity to discuss the most suitable revision books for all subjects, if students did not purchase them in Year 10. Heads of School will also be available to answer pastoral and general academic enquiries, along with the SENDCo.

On 19th October, your child will begin their first set of mock exams, and this evening will give you the opportunity to ask any questions you may have at this crucial stage in your child's education. Below, I have included this year's schedule for after-school revision and intervention, which start from the first week in October.

We look forward to seeing you for a prompt start in Clare Hall at 5.00pm.

Yours sincerely

P. Hudson

Mr P. Hudson
