Dear Parents/Carers

Year 11 Raising Achievement Evening – 8th October 2025 - 5.00pm start in Clare Hall

We would be delighted if you could join us on Thursday evening next week for our Raising Achievement event.

Further details are outlined below to help you review the sessions on offer and plan a personalised schedule for the evening. The event will begin promptly at 5.00pm in Clare Hall, after which you will be able to visit individual subject areas to discuss the support available and collect exam resources.

This event is intended for students to attend together with their parents/carers. Parental involvement really supports students in preparing for exams and research suggests it's in the top reasons for increasing a student's exam results.
Four different sessions will be running, each repeated throughout the evening. As it will not be possible to attend them all, we encourage you to prioritise the sessions that will be most useful for your child. You may then plan your subject visits around these.
To incentivise attendance, every student registered at the event will have an additional entry added for the Golden Ticket draw and can win £50/£100 Amazon vouchers.

Each subject area will provide take-home resources, and staff will be available to advise on the most suitable revision guides for each subject (for those not purchased in Year 10).

In addition, Heads of School and our Senior Leadership Team will be present to answer pastoral and academic questions.
With the first set of mock exams taking place in just two weeks, this evening will be an ideal opportunity to ask questions and gather support at this important stage of your child's education.

Please ensure you arrive in time for a prompt start at 5.00pm in Clare Hall. Additional parking will be available on the hardstanding area outside the DT Block.

We look forward to seeing you.

Yours sincerely

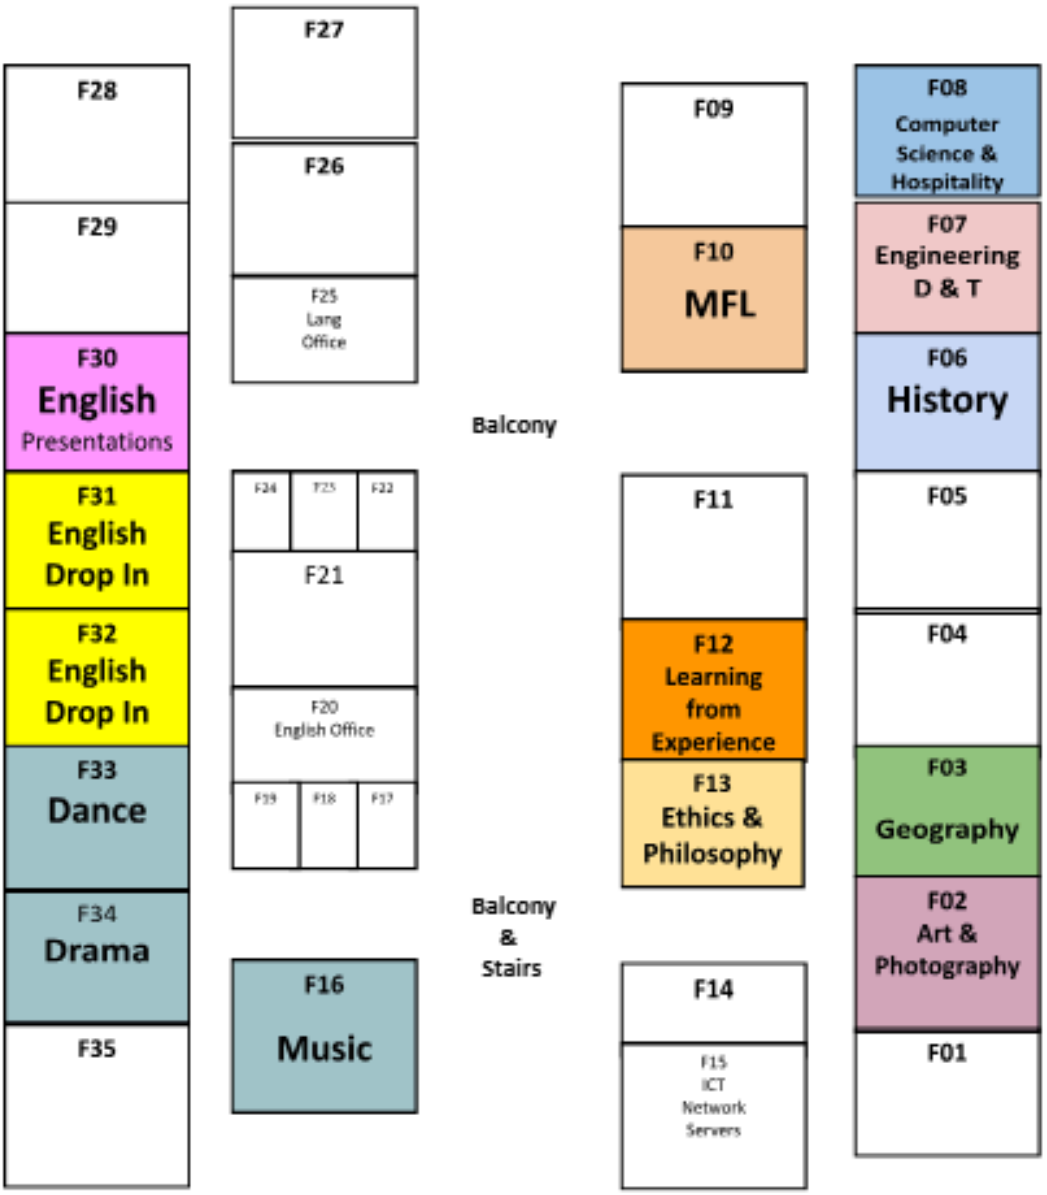

P. Hudson
