Dear Parent/Carer

Budmouth 2028 Ski Trip

We are pleased to inform you that we will be running a Ski Trip for Easter 2028, and will be returning to Passo Tonale in Italy after a successful trip this year.

The ski trip has been extremely popular in previous years and we are excited about the opportunity to start preparing for our next adventure. The trip is open to all students, however as we have a duty of care to ensure the health and safety of everyone on the trip, places are subject to a standard risk assessment process that considers student behaviour and safety requirements.

A typical day in the resort is breakfast, a morning ski lesson, lunch and then an afternoon ski lesson. We then head back to the hotel for some free time before dinner and evening entertainment.

The hotel is located right on the slopes, making for doorstep skiing. Skiing requires a lot of energy therefore students will need to ensure they fuel their bodies sufficiently throughout the week. Whilst the hotel ensures there is plenty of good quality food at meal times there may be little flexibility in regard to the menu on offer; therefore students will need to be open to trying what is offered.

Deposits of £150 are required by Friday 20th November and can be paid via ParentMail. Confirmation of your child's place will come through ParentMail and spaces are limited and operate on a first come first served basis. A full breakdown of the payment schedule can be found below.

Ski Lessons Warmwell

We highly recommend students attend at least two sessions at Warmwell Ski slope prior to the trip, in order to learn the basics such as putting on skis and boots, carrying equipment and recovering from a small fall. These skills really do make a massive difference to a student's enjoyment before they enter the alpine environment (at altitude).

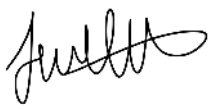

We will run ski sessions in January and February 2028 which will cost £12.00 (appx) per session. Once students have signed up, a letter will be sent to parents/carers advising how they can select a convenient time-slot. Alternatively, students may wish to arrange a visit to Warmell independently. However, this might be more expensive.
