21st October 2026

Dear Parent/Carer and Student

Southampton University Engineering Trip - Monday 16th November 2026

As part of the Level 3 AAQ Engineering course, the Year 12 engineers will be visiting Southampton University Engineering Test Centre on Monday 16th November 2026.

We will be leaving Budmouth Academy at 8.30am, via the school minibus, and plan to return to Budmouth at approximately 3.00pm.

All students are expected to wear smart casual clothes and their Budmouth identity badge.

We are asking for a contribution of £10.00 to the cost of this trip. Payment can be made via ParentMail. The trip's name is **Southampton Engineering Trip**. We aim for all Year 12 Engineering students to attend, therefore if you require any form of financial support to make this happen, please contact Mr Brendan McDonald, Director of Technology (bmcdonald@budmouth-aspirations.org).

Please note: we do not intend to stop for any rest breaks during the journey. Therefore, we suggest that students bring a packed lunch and a drink to have during their lunch break at the university.

If you have any enquiries regarding this trip then please do not hesitate to contact me via email.

Kind regards

Mr A D Walker

Design & Technology Department
